USING THE AMERICAN FLAG AS A CARPET AT A NAZI CAMP!

THIS photograph speaks for itself. No loyal American need look at it more than once to grasp its full significance. It was taken through the second-story window of an American Bund headquarters in one of the camps now rapidly dotting the map of the United States. The familiar faces of the barbarians whose followers are trying to undermine this country can be clearly recognized on the walls. The face to the extreme left under the shouting Hitler is that of Fritz Kuhn, known to the Nazis of this country as the "National American Fuehrer." On the table in this amazing room appears a map of the United States dotted with swastikas locating bund camps already launched. Hitler's swastika on the wall towers over the American flag rumpled under a whiskey bottle and near a cuspidor and used as a carpet by the Nazi betrayers of the benevolent protection of Old Glory!
